DELIVERY FALL 1924

F. DAMMANN, (INC.)

Seed Grower and Specialist

LUGANO

(Switzerland)

(Cauliflower Dammann's Primus)

late **DAMMANN & Co., NAPLES (ITALY)**

Seed Growers & Merchants

By Appointment to H. M. The King of Italy

Founded in 1877

by

ERNEST F. DAMMANN

Knight of the Order of the Italian Crown

TERMS

∴ **Prices** are made in American Dollars and Cents for seeds taken here. **Packing** extra at first cost. **Payment** cash on delivery, if not otherwise arranged. Satisfactory references from unknown correspondents requested. ==

NON-WARRANTY

∴ I exercise the greatest care in growing my seeds, having all crops rogued under my personal attendance to the best of my ability, all true to name and type, shipping nothing but what I believe will give full satisfaction. However, I give no warranty express or implied as to their growth, description, quality or productiveness, and will not be in any way responsible for the crops produced therefrom. Only under these conditions orders are booked and accepted. ==

SHIPPING

∴ All seeds will be shipped as soon as harvested, Fall 1924. There is a **special and speedy Forwarding Service at low rates** between Switzerland and the principal ports of the U. S. and Canada, via Antwerp. ==
∴ **Insurance**, if no other instructions are given, will be covered by me. ==

A. B. C. Code 5th Edition used

		p. lb. Dollars-Cts.
I. Garden Seeds.		
Artichoke,		
Giant Green Globe		1.65
Giant Purple Globe		1.50
Broccoli,		
Italian Purple Sprouting (Branching)		—55
Mammoth white headed, late		1.50
Cauliflower,		
(My great speciality. Finest strains only).		
1) <i>South European (Mediterranean) varieties, of robust habit, rich glaucous leaves and very large and solid heads.</i>		
<u>Dammann's Excelsior.</u> An extremely early, self-protecting, giant-headed and short-stemmed sort. The finest strain for Market Gardeners		1.90
<u>Dammann's Primus,</u> originated and introduced by my firm in 1897. Very early, short-stemmed, with enormous fine and solid heads. The best sort for general use. My first class strain is not to be confounded with other inferior sorts offered under the same name		1.60
<u>Dammann's Secundus,</u> very much like «Primus» but about two weeks later. A really grand Cauliflower and the best intermediate sort		1.60
<u>Dammann's Improved self-protecting Autumn Giant</u>		—57
2) <i>Northern varieties, with bright green leaves and generally not very large heads.</i>		
Dwarf Erfurt, extra early, small-leaved, best Danish strain		5.80
Snowball, extra early, best Danish strain		6.25
Danish Giant or Dry Weather, self protecting, very resistant against drought and heat, best Danish strain		5.50
Extra early Paris		1.85
Lenormand short-stemmed, the best French sort		2.10
Egg Plant,		
Long purple		—75
Round purple		—90

(Egg Plant continued next page).
